Wheeler of Brattleboro is president of this society. An attractive programme has been prepared and a general attendance of osteopathic physicians from all parts of the state is assured.

Three in Sicily.

The ancient poets used to sing of the dense forests of Sicily. Today the mountains are bare. The question of reforestation is a difficult one. Attempts at starting new growth are frustrated by the peasants, who tear down fences and drive in their goats. Only under military protection could new forest trees be grown.

Elliott's Indian Bible.

It is asserted by typographical authorities that the first Bible printed in America was "John Elliott's Indian Bible," in 1602. The language into which this Bible was translated is extinct, and it is said only one or two persons are able to read it.

talk of the town.

talk of the town.

SIRES AND SONS.

It is now estimated that John D. Rockefeller controls over \$5,000,000,000.

Colonel Henry Mapleton, the operatic and dramatic manager, has received

the cross of the Legion of Honour from the French government.

Stanley McCormick of Chicago has purchased the handsome home in Washington now occupied by Congressman John E. Reyburn of Philadelphia at a cost of \$150,000.

Dr. Jameson, who led the famous raid into the Transvaal, receives the comfortable legacy of \$125,000 from the estate of the late Mr. Bell, the South African millionaire.

Martin F. Ansel, who will be inaugurated governor of South Carolina next January, is of German descent.

His parents were married in Philadelphia, where they lived for some time before going to South Carolina.

Count Augustus Eulenberg, grand marshal of the German emperor's

court, is believed to hold the record in the matter of decorations. Of these coveted jewels he possesses about

eighty, his broad chest being too small

to wear all of them at once.

Solomon Gompers, father of Samuel Gompers, the president of the American Federation of Labor, lives at Roxbury, Mass. He is seventy-eight years old and has been totally blind for nine years. He was born in London, where he joined a trades union in 1849.

Baron Komura's father died deeply

in debt, and a very large part of the son's scanty salary has to be devoted

to meeting the liabilities. It is said

that on one occasion a bailiff, who had

been put into his humble house found

that the solitary article of furniture

owned by Japan's future ambassador to Great Britain was a chessboard.

William D. Fouss of Drab, Blair

County, Pa., who is eighty-one years

old, never wore stockings until three

years ago. He has never worn under-

wear, gloves or mittens, never used

tobacco in any form and never was

sick a day in his life. He performs all

the labor on his forty acre farm and

never stops for rain, being frequently

soaked to the skin.

Day and Night.

By a simple rule the length of the day and night at any time of the year may be ascertained. By doubling the time of the sun's rising the length of the night is obtained, and by doubling the time of the setting the length of the day is given.

Coldest European Capital.

St. Petersburg is the coldest capital

in Europe, the temperature in winter

sometimes reaching 50 degrees below zero.

Twenty different kinds of Fresh Fish to select from.
